SECTION - III

GENERAL CONDITIONS OF CONTRACT (GCC)

Existing:

12.2

- b. Warranty will be inclusive of all spares, cables, accessories including rubber, glass items etc. but exclusive of Tyres, Batteries.

Amended as:

12.2

- b. Warranty will be inclusive of all spares, cables, accessories including rubber, glass items etc. but exclusive of Tyres and wear & tear of windscreen, window & door glasses. Batteries for vehicle & any other equipment will cover standard manufacturer's warranty.

Existing:

12.10 **Uptime Warranty:** During the warranty period, bidder shall maintain 95% uptime of the ambulance calculated on annual basis. Time for scheduled maintenance shall be excluded for computation of uptime warranty. Failure to meet uptime shall render supplier liable for penalty @ 0.01% per day of the total cost of the contract. In case of exceptional circumstances, like accident, damage by crowd, etc. the bidder may seek exempting downtime calculation which may be at the discretion of the Director, Centralised Accident & Trauma Services (CATS).

Amended as:

12.10 **Uptime Warranty:** During the warranty period, bidder shall maintain 95% uptime of the ambulance calculated on annual basis. Time for scheduled maintenance shall be excluded for computation of uptime warranty. Failure to meet uptime shall render supplier liable for penalty @ 0.1% per day of **the total cost of the vehicles not meeting the uptime warranty**. In case of exceptional circumstances, like accident, damage by crowd, etc. the bidder may seek exempting downtime calculation which may be at the discretion of the Director, Centralised Accident & Trauma Services (CATS).

SECTION – V Technical Specifications

GENERAL TECHNICAL SPECIFICATIONS

4. CMC (Comprehensive Annual Maintenance Contract):

Existing:

4.6 There will be 95% uptime warranty during CMC period as specified in GCC clause 12.10. Time for scheduled maintenance shall be excluded for computation of uptime warranty. Failure to meet uptime shall render supplier liable for penalty @ 0.01% per day of the total cost of the contract. In case of exceptional circumstances, like accident, damage by crowd, etc. the bidder may seek exempting downtime calculation which may be at the discretion of the Director, Centralised Accident & Trauma Services (CATS).

Amended as:

- 4.6 There will be 95% uptime warranty during CMC period as specified in GCC clause 12.10. Time for scheduled maintenance shall be excluded for computation of uptime warranty. Failure to meet uptime shall render supplier liable for penalty @ 0.1% per day of **the total CMC cost of the vehicles not meeting the uptime warranty**. In case of exceptional circumstances, like accident, damage by crowd, etc. the bidder may seek exempting downtime calculation which may be at the discretion of the Director, Centralised Accident & Trauma Services (CATS).

Patient Compartment:

Existing Specification (at Page 42):

Adequate provision for storage of medicines/consumables/equipment should be made by providing lockable cabinets & drawers. These should be made from non-wood & non-ferrous fire retardant material in sync with the ambulance's internal look and feel.

Amended as:

Adequate provision for storage of medicines/consumables/equipment should be made by providing lockable cabinets & drawers. These should be made from non-wood & non-ferrous fire retardant material (**ABS not necessary**) in sync with the ambulance's internal look and feel.

Amended as:

Ambulance Cot: If required, a suitable loading platform (**not necessarily be made of ABS**) may be provided to ensure the same.

SECTION – VII

Qualification Criteria

Existing:

- 2 A legally incorporated consortium of OEM of Monocoque / Chasis Vehicle Manufacturer with a "Specialist Vehicle (Ambulance) Fabricator" and/or "Medical Equipment Supplier". The Lead partner must have satisfactorily supplied at least 50% of the tendered quantity of ambulance (total tender quantity of ALS and BLS taken together) for the last 3 completed financial years.

In case of (2), The Consortium agreement shall clearly detail the following:

- a. identify the OEM of Monocoque / Chasis Vehicle Manufacturer as the lead partner. The lead partner shall be held overall responsible for the execution of the order and other clauses per se in case the other partner falters from the terms of agreement or goes bankrupt.

b. the average annual turn-over of the lead partner should be at least 25 Cr in the last three completed financial year in the relevant business and for the other partners in the last three financial years in the relevant business should not be less than 10 crores. A CA's certificate (along with registration number) in this regard must be enclosed for each consortium partner.

Amended as:

- 2 A legally incorporated consortium of OEM of Monocoque /Chasis Vehicle Manufacturer with a "Specialist Vehicle (Ambulance) Fabricator" and/or "Medical Equipment Supplier". The Lead partner must have satisfactorily supplied at least 50% of the tendered quantity of ambulance (total tender quantity of ALS and BLS taken together) for the last 3 completed financial years.

In case of (2), The Consortium agreement shall clearly detail the following:

a. identify the 'OEM of Monocoque /Chasis Vehicle Manufacturer' or '**Specialist Vehicle (Ambulance) Fabricator**' as the lead partner. The lead partner shall be held overall responsible for the execution of the order and other clauses per se in case the other partner falters from the terms of agreement or goes bankrupt.

b. the **combined** average annual turn-over of the **consortium partners** should be at least Rs. 25 Cr. in the last three completed financial year in the relevant business and for the other partners in the last three financial years in the relevant business should not be less than Rs. 10 Cr. A CA's certificate (along with registration number) in this regard must be enclosed for each consortium partner.

All other contents of the tender enquiry read with its earlier amendments including terms & conditions remain unaltered.
