

Amendment No. 1**02.02.19****Sub: Amendment to the Bidding Document****Ref.: Notice Inviting Bid ref. HITES/PCD/NCI-AIIMS/39/18-19 dated 09.01.2019**

The following changes have been authorised and are being incorporated in the above referred Bidding Document.

SECTION – VII**TECHNICAL SPECIFICATION AND GENERAL POINTS****A. TECHNICAL SPECIFICATION:****Item No:- 1. (Rfx no. 3000003729)****Full HD Video Endoscope System (2 nos.) with Endoscopic Ultrasound System (1 no.)**

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para 5. Full HD video processor Page 49	Automatic IRIS Control & automatic white balance	Automatic IRIS Control & white balance

Item no :- 2. (Rfx 3000003730).**Full HD Video Bronchoscope System with Endobronchial Ultrasound System**

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para A Page 52	The flexible bronchoscope should be supplied complete with light source and trolley and minimum 15" LCD monitor	The flexible bronchoscope should be supplied complete with light source, trolley and monitor
2	Under Para2 Linear probe Page 53	Depth of field : Approximately 2-50 mm	Depth of field : Approximately 3-50 mm

Item No:- 4. (Rfx 3000003732)**Rigid Cysto-Resectoscope**

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para 1. C Page 56	Should have Robust ceramic beak with guarantee during warranty period	Should have Robust ceramic beak to be covered under warranty. Replacement if needed to be done free of cost during the warranty period
2	Para 7 Page 57	ESU with 300W or more (of any reputed make) output power	ESU with 300 W or more output power. ESU should be of same make of cysto-resectoscope
3	Para 7 f Page 57	All compatible accessories for therapeutic & diagnostic hysteroscope work should be supplied along with ESU unit	All compatible accessories for cysto-resectoscopy work should be supplied along with ESU unit
4	Para 7.e.iv Page 57	Disposable patient plate paediatric – 10 nos.	Deleted
5	BOQ Sl.no.33 Page 58	Disposable patient plate pediatric	Deleted

Item No:- 5. (Rfx 3000003733)**Micro Vascular Instruments Set**

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para 5 Page 59	Dedicated Slotted sterilization container with lock and silicon mat	Compatible sterilization container with thermo lock system & bacterial filter for instruments set along with SS wire basket/SS perforated basket having silicone supports for holding instruments, should be supplied in required nos. per each instruments set so as to accommodate all the instruments for sterilization.
2	Para 8 Page 59	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same

		should be from same manufacturer	manufacturer. If a bidder is offering 80% or more instruments from a particular Manufacturer, then Declaration from that manufacturer should be submitted stating that the rest of instruments are not being manufactured by that manufacturing firm.
3		Added BOQ Item at Sl.no. 22:	Sterilization container as per technical specifications - 1 set

Item.No:- 6. (Rfx 300003734)

Major Vascular Instruments Set

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para 7 Page 61	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same manufacturer	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same manufacturer. If a bidder is offering 80% or more instruments from a particular Manufacturer, then Declaration from that manufacturer should be submitted stating that the rest of instruments are not being manufactured by that manufacturing firm.
2	BOQ Sl.no. 64 Page 63	Reynolds' vascular forceps small	Reynolds' or similar vascular forceps small
3	BOQ Sl.no. 65 Page 63	Reynolds' vascular forceps medium	Reynolds' or similar vascular forceps medium
4	BOQ Sl.no. 66 Page 63	Reynolds' vascular forceps long	Reynolds' or similar vascular forceps large

5		Added Para:	Compatible sterilization container with thermo lock system & bacterial filter for instruments set along with SS wire basket/SS perforated basket having silicone supports for holding instruments, should be supplied in required nos. per each instruments set so as to accommodate all the instruments for sterilization.
6		Added BOQ Item:	Sterilization container as per technical specifications - 1 set

Item.No:- 7. (Rfx 3000003735)

Thoracic Vascular Instruments Set

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para 7 Page 64	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same manufacturer	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same manufacturer. If a bidder is offering 80% or more instruments from a particular Manufacturer, then Declaration from that manufacturer should be submitted stating that the rest of instruments are not being manufactured by that manufacturing firm.
2		Added Para:	Compatible sterilization container with thermo lock system & bacterial filter for instruments set along with SS wire basket/SS perforated basket having silicone supports for holding instruments, should be supplied in required nos. per each instruments set so as to accommodate all the instruments for sterilization.
3		Added BOQ Item:	Sterilization container as per technical specifications - 1 set

Item .No:- 8. (Rfx 300003736)**Plastic Surgical Instruments Set**

Sl. No.	Reference to the bidding document	Existing Specification of the bidding document	Amended as
1	Para 7 Page 64	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same manufacturer	Bidder should quote for all the instruments of the set. At least 80% of the quoted instruments should be from same manufacturer. If a bidder is offering 80% or more instruments from a particular Manufacturer, then Declaration from that manufacturer should be submitted stating that the rest of instruments are not being manufactured by that manufacturing firm.
