

Appointment of Export Import consultant

International Business Division of HLL is availing export incentives and other export benefits from various institutions like Director General of Foreign Trade (DGFT), Indian Customs Authorities, Export Inspection Agencies, Special Export Zones etc for export of our wide range of products.

Apart from this we are also availing the import benefits by way of Export Promotion Capital Goods (EPCG) license. For availing the export and import incentive benefits, we need the service of an expert Consultancy Agency.

The following will be the duties and responsibilities of the export-import consultant:

| Sl.No. | Discription  | Charges<br>(%or Value)<br>Rs. |
|--------|--|-------------------------------|
| 1      | Export related submission of documents and subsequent follow- up with JDGFT/CSEZ |                               |
| 2      | Closure of EPCG Licenses as and when required                                    |                               |
| 3      | Extension of Export Obligation period if required with DGFT                      |                               |
| 4      | Updation of Import-Export Code(IEC) with DGFT                                    |                               |
| 5      | Updation of Export Star-House with DGFT  |                               |
| 6      | Any other export / import related matters  |                               |

Interested parties may apply within the prescribed time with all the details pertaining to the consultancy services and an experience certificate (5 years) in this field, addressed to
