HEALTHCARE SERVICES
DIVISION**

SECTION-1 INSTRUCTIONS TO BIDDERS (ITB)

1. COMPANY BACKGROUND

HLL Lifecare Limited is a Government of India “Mini Ratna” Public Sector Enterprise, under the Ministry of Health and Family Welfare, Government of India. (Hereinafter known as “HLL”). Over the years, HLL has grown to serve many new areas in the field of healthcare in India in addition to manufacturing of contraceptives, and medical products.

HLL’s purpose of business is “to be a globally respected organization focusing on inclusiveness by providing affordable and quality healthcare solutions through continuous innovations”. In its quest to become a comprehensive healthcare solutions provider, HLL had diversified into hospital products and healthcare services, while nurturing its core business of providing quality contraceptives.

Healthcare Services Division

The Healthcare Service Division (HCS) of HLL is setting up and operating High-end path lab facilities and imaging centres across the country partnering with various State Governments and Central Government Institutions. The purpose of this division is to make available the high-end path lab diagnostic facilities and imaging facilities to poor and needy patients at a much affordable rate. At present, HCS division of HLL has its presence in seven states.

2. INTRODUCTION

Through a chain of Healthcare Diagnostic centres, called HINDLABS, HLL offers clinical pathology lab services and Radio diagnostic imaging services. Over a period of short span HINDLABS emerged as one of the key player among retail diagnostic chains with 225 Diagnostic labs, 4000 collection centers (Which includes PHC, RH, DH, SSH, RRH, WH & MH) and 50 medical imaging centres in various states and cities across India. HINDLABS uses state-of-the-art technology to provide the most comprehensive and advanced imaging services. The facilities are designed to comply with National Accreditation Board for Testing and Calibration Laboratories (NABL) standards.

The Healthcare Services Division (HCS) has numerous projects in pipeline and intended to explore the possibility to have Strategic Business Partners for their upcoming medical Imaging business projects. Accordingly HLL had invited an Expression of Interest (EOI

number: HLL/CHO/HCS/MI/2022-23/02 Dated 16-06-2022) for empanelment of Strategic Business partners for Medical Imaging Business of HCS Division of HLL Lifecare Limited. This EOI was floated in eprocurement portal of Government of India and after scrutiny the firms who met the EOI qualification criteria were empaneled.

All the empanelled firms have submitted declaration and agreed for minimum revenue share of 8% for HLL. As per the above said EOI terms, post empanelment, through competitive bidding among the empanelled firms, Strategic partner shall be finalised for individual projects based on the highest revenue share they are willing to share with HLL, over and above the minimum revenue share.

3. SCOPE OF RFQ:

All India Institute of Medical Sciences (AIIMS), Bhopal has engaged HLL Lifecare Limited to provide its expertise and services on PPP mode for maintenance and management of the laboratory and Medical Imaging Services of AIIMS, Bhopal.

Through this RFQ, HLL intends to identify and engage a strategic partner/Service provider for execution of medical imaging segment of said project from its panel of strategic business partners. Initially strategic partner/Service provider will be engaged till **21st March, 2024** and engagement shall be extended on yearly basis, after a review of first year of the project.

3.1 Scope of Strategic Business Partner

- To provide all services specified in the Scope of Work of this RFQ (Detailed Scope of work is given at Annexure-1) with due diligence, efficiency and economy, in accordance with generally accepted techniques and practices used in the industry.
- To employ appropriate advanced technology, systems, best practices, safe and effective equipment, machinery, material, and methods. The Service Provider shall always act, in respect of any matter relating to this assignment, as faithful advisors to the HLL and shall, at all times, support and safeguard the HLL's legitimate interests in any dealings with third parties.
- Ensuring uninterrupted operations during period of engagement
- Incur necessary capital expenses including Diagnostics Machines, the turnkey work of the facilities, providing necessary infrastructure and accessories essential for the performance of the scope of work, Up-time management of the machines etc as per the requirement of HLL.
- Any other related work assigned by HLL for smooth execution of project.

- Meet all the operational and recurring expenses during the day-to-day execution of the project
- Facilitation of all payment and other documentation from AIIMS Bhopal
- Meet all statutory and regulatory guidance and requirements
- Maintain the quality standards and the strict adherence to the SOP/protocols
- Daily, Weekly, monthly Reports and Coordination with all stakeholders.
- To maintain highest quality standards for the service delivery to beneficiaries at all times.
- Business development in public and private sectors.

3.2 Scope of HLL

- The complete Strategic Design, Planning and execution of the project
- Project operation and management
- Formulation of SOP and operational protocols
- Formulation of quality standards and QA protocols
- Facilitation of smooth and uninterrupted operations in coordination with strategic partner.
- Coordination with AIIMS Bhopal for execution of project
- Periodic Reviews to ensure compliance with obligations and timelines
- Obtain the regulatory compliances for HLL

3.3 Revenue Sharing Model

- a) HLL intends to execute this project on a revenue sharing basis.
- b) Service provider has to provide services as detailed in Scope of work.
- c) As per the agreement with AIIMS Bhopal, HLL will receive the payment for the Imaging investigation services as per the mechanism detailed in Clause no.22, Payment Terms. For this, Service provider must complete all its obligations and facilitate the timely submission of monthly invoice by HLL, through providing necessary documentations and payment certifications.
- d) Against the revenue received from AIIMS, Bhopal, HLL will retain the revenue share as agreed by Strategic partner through their financial bid. Remaining amount, after deducting all expenses incurred by HLL, will be released to strategy partner.
- e) Any expense incurred to HLL on account of operations or other with respect to this project is to be reimbursed to HLL.
- f) Strategic Partner shall make independent assessment of proposed project and submit their financial quotes. Financial quote of the strategic partners shall specify the revenue share percentage acceptable to share with HLL for this particular proposal. Financial quotes will be evaluated based on the revenue share

percentage to HLL over and above the minimum value of 8%. Financial Quote has to be submitted as per the format provided in CPP portal.

- g) The evaluation for the project would be done on the basis of offered revenue share percentage to HLL. The bidder who offers highest revenue share (H1 bidder) would be finalised as Strategic partner for this project.

Total revenue share to HLL will be Minimum revenue share of 8% + additional revenue share offered in the price bid (b)%, i.e, (8+b) %

Period of engagement will be terminated on completion of the project or closure of the project by HLL's Clients after issuing sufficient notice period to HLL as per the agreement terms between HLL & AIIMS.

- h) HLL will have the right to reject proposals if they are found to be unacceptable.
