**Issued on : 12<sup>th</sup> June 2014**

Sl. No.	Amendments to the tender & clarifications towards pre-bid queries
1.	All the items in Price Schedule should be quoted inclusive of all applicable taxes & duties, insurance, transportation, material handling etc. Quoted price will remain firm during contractual period. Payment terms for tender remain unchanged.
2.	Separate Purchase order and Service Order will be issued to L1 bidder for supply and installation respectively.
3.	Vendor should submit the bid in 2 envelopes (technical bid & price bid) which will be placed inside the main envelope. Main envelope should be sealed & super scribed with tender name , tender document number & date of opening:- 1 <sup>st</sup> Envelope - technical bid containing signed & sealed copy of tender, datasheets, URS, technical details, tender fee, EMD, Integrity pact, tender form (without mentioning the price), qualifying documents as per Section IX etc. 2 <sup>nd</sup> Envelope - price bid containing tender form and price bid
4.	Vendor should make their own arrangement for security and storage at site. However, space for storage will be provided by HBL.
5.	Vendor to make their own arrangement for electricity required at site. However, water will be provided for commissioning.
6.	The bidder has to satisfy the qualification criteria as per Section IX. In case, the bidder is not a manufacturer of tendered item, the criteria will be evaluated for the bidder and not for the manufacturer. Consortium or Joint ventures are not allowed.
7.	Bidder to provide details of service support team available in Tamilnadu against Qualification Criteria No.6 (Section IX).
8.	Bidders to mention only one make for the equipments and accessories in Price Schedule (Section XI). The same will be technically evaluated.
9.	'C' Form will be issued to vendor for necessary tax exemption.
10.	Capacity of Feed water tank to be considered as 16000 Litres (16 KL).
11.	Bidders to consider feed water tank height as 2.5 metres for quoting. However, actual size will be reviewed & approved based on site conditions.
12.	Bidder has to provide foundation details for Boiler & Chimney as part of technical bid.
13.	Bidder to consider independent stack monitoring system for each chimney and the same shall be connected to a single computer (specifications mentioned in URS of Chimney).
14.	Warranty period shall be considered as 12 months from the date of successful handover or 18 months from the date of installation whichever is earlier.
15.	All interconnecting piping along with accessories for boiler shall be considered against item -1 of Price Schedule (Section X)

Sl. No.	Amendments to the tender & clarifications towards pre-bid queries
16.	Bidder to ensure emission standards as per NAAQ & CPCB norms and provide necessary documentation support for obtaining approval from TNPCB.
17.	Vendor to consider independent control panel for each boiler & feed pumps for each boiler.
18.	Henceforth, this minute of this pre-bid meeting will be part of the original tender document.

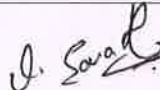

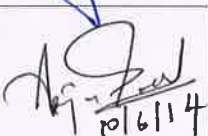

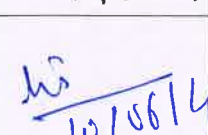

Issued by  

Chief Executive Officer
