**Section – VII**  
**Technical Specifications**

**Schedule No. 1**

**ETO Sterilizer**

**Clarification Regarding Technical Specifications (Part(I) dated 14/05/2014**

**(1) For:-**

6. Appropriate pollution control device for safe disposal of E.O like catalytic converter or equivalent technology gas disposal management to be as per local pollution control norms. Apparently, it seems there is no local pollution control norm for ETO steriliser.

**Read As:**

6. Appropriate pollution control device for safe disposal of E.O like catalytic converter or equivalent technology / gas disposal management -to be as per local pollution control norms, if any.

**(2) For:-**

7. Compliance is as per International norms.

**Read As:-**

7. Compliance is as per International norms mentioned in the technical specifications for ETO steriliser.

**All other terms and conditions of the tender enquiry remain unaltered.**
